VISION

An enabled and productive housing finance sector across Africa where governments and the private sector work together to develop and maintain efficient and effective housing markets and access to adequate and affordable housing for all.

MISSION

To support its members in realising their vision, through networking and deal facilitation, information collection and dissemination, lobbying and advocacy, and capacity building and training.

AUHF OBJECTIVES

As a member-based, industry association, the main objective of the AUHF is to support its members in realising their vision for an enabled and productive housing finance sector across Africa.

Further objectives are as follows:

- To identify and connect stakeholders, establishing a vibrant and supportive housing finance sector across the African continent.
- To understand and communicate the key issues facing practitioners in the housing sector in Africa, with members and the wider housing sector.
- To promote member interests in making housing finance markets work in Africa;
- To promote best practice in the affordable housing industry across Africa.
- To enable members to respond to the challenges and opportunities within the contexts of their businesses, supporting better engagement between the public and the private sectors
- To promote and drive effective professional development among its members through the provision of housing finance training.
- To provide members with opportunities to network with one another, share information and build capacity towards improved housing finance systems in Africa, through the delivery of conferences, seminars, workshops, member exchanges and other mechanisms.
- To ensure the effective governance and sustainability of the AUHF towards the realisation of the mission and overall objectives.
